By the Deputy Chief, Satellite Division, International Bureau:

1. On February 9, 2005, the Commission released a *Notice of Proposed Rulemaking* (FCC 05-14) in the above-captioned proceeding. This Erratum corrects the following:
2. Footnote 126 in paragraph 48 is revised to read as follows:

“*See supra* para. 43.”
3. Footnote 138 in paragraph 51 is revised to read as follows:

“*See also* discussion in para. 40, *supra*, regarding our proposals for authorizing non-routine operations.”
4. Footnote 146 in paragraph 57 is revised to read as follows:

“*See* NCMC discussion in para. 43, *supra*.”
5. Footnote 153 in paragraph 60 is revised to read as follows:

“*See ESV Report and Order* at para. 122.”
6. The first sentence of paragraph 67 is revised to read as follows:

“We propose to permit foreign AES terminals to operate on aircraft registered with foreign administrations through hubs located outside of the United States while flying through U.S. airspace by requiring the AMSS operator to apply for and obtain U.S. authorization, as proposed above in paragraph 65.”
7. Footnote 165 in paragraph 67 is revised to read as follows:

“*See supra* paras. 48-49, 57.”

8. The fourth sentence of paragraph 70 is revised to read as follows:

“Comments must be identified as responses to the IRFA and must be filed by the deadlines for comments on the Notice as provided in paragraph 73 below.”

9. In Appendix B, the Initial Regulatory Flexibility Analysis, the third sentence of the first paragraph is revised to read as follows:

“Comments must be identified as responses to the IRFA and must be filed by the deadlines for comments on the Notice provided in paragraph 73 of the Notice.”
